Bandung, West Java, Indonesia · +62 897-7579-815 · yukiwicaksono03@gmail.com · [linkedin.com/in/yukiwicaksono](https://www.linkedin.com/in/yukiwicaksono) · yukiwicaksono.com

PROFESSIONAL SUMMARY

Web Developer with over 7 years of experience building and maintaining production-grade web applications. Specialized in backend development with Laravel and modern frontend development using React and Next.js, backed by a strong command of PostgreSQL, MySQL, and REST APIs. Experienced in maintaining systems that serve real-time operations, developing new features to meet business needs, and integrating with third-party systems. Comfortable working directly with clients to translate requirements into efficient, stable, and maintainable technical solutions.

TECHNICAL SKILLS

Languages & Frameworks: PHP, Laravel, JavaScript, React, Next.js

Databases: PostgreSQL, MySQL

API & Integration: REST API, third-party vendor bridging / integration

Tools: Visual Studio Code, Sublime Text, DBeaver, Terminal / CLI

Soft Skills: Analytical thinking, client communication, time management, attention to detail, curiosity
